

CALL FOR ABSTRACTS

2021 HESNI ANNUAL CONFERENCE

June 10-11, 2021

NIU Conference Center, Naperville, Illinois

Conference Theme:

WHAT LIES AHEAD?

The Healthcare Engineers Society of Northern Illinois (HESNI) is seeking abstracts describing seminar presentation topics for the 2021 HESNI Annual Conference & Technical Exhibition. How much information is required? In 1 or 2 pages, your abstract should describe:

- Your presentation title
- Key themes, take away points
- Biography & photo of speakers (if available)
- Contact information of person submitting abstract

The 2021 conference theme is **“WHAT LIES AHEAD?”** Is there a special topic you’d like to share with a large audience of healthcare facility managers? How does it relate to innovative pandemic management strategies, patient care, energy management, infection prevention, regulatory compliance, or preparing for tomorrow? Presentations should last 60 minutes with time allotted for questions. If you would like to be included in next year’s distinguished speaker platform, please send a presentation abstract by **February 15, 2021**. Email abstracts/questions to programs@hesni.org.

As an Annual Conference presenter, you’ll gain:

- Professional exposure to a variety of senior level executives
- Free admission to all conference sessions
- Invitations to networking receptions or other social activities
- Conference attendee list.
